

"I fully intend to be president of the entire University, to be a force for unity, cooperation, mutual understanding and, yes, collegiality."

likewise include our Parks College campus in Cahokia, and it will even extend overseas to our fourth campus in Madrid. For I fully intend to be president of the entire University, to be a force for unity, cooperation, mutual understanding and, yes, collegiality.

My idea of a university is fundamentally the same as John Cardinal Newman's, and I quote: "An assemblage of
