3. Students will be expected to complete assigned readings before coming to class and participate constructively in class discussions. During class, **cell phones must be turned off or vibrate mode**. If you need to respond to a call, please step outside the room.
4. This instructor allows only two unexcused and undocumented class absences after which a student must provide documentation or explanation for being absent from class. Failure to do this will affect points for class participation.

Examinations, two short papers on two class discussion topics, and class participation will be used in evaluating the performance of students. There is a deduction of two points each day a paper is not turned in at due date.

Syllabus Statement on In-Person Class Attendance and Participation

The health and well-being of our students and faculty is our top priority. Accordingly, the following University policy statements on in-person class attendance are designed to preserve and advance the collective health and well-being of our institutional constituencies and to create the conditions in which all students have the opportunity to learn and successfully complete their courses.

1. Students who exhibit any [potential COVID-19 symptoms](#) (those that cannot be attributed to some other medical condition the students are known to have, such as allergies, asthma, etc.) shall absent themselves from any in-person class attendance or in-person participation in any class-related activity until they have been evaluated by a qualified medical official. Students should contact the [University Student Health Center](#) for immediate assistance.
2. Students (whether exhibiting any of potential COVID-19 symptoms or not, and regardless of how they feel) who are under either an isolation or quarantine directive issued by a qualified health official must absent themselves from all in-person course activities per the stipulations of the isolation or quarantine directive.
3. Students are responsible for notifying their instructor of an absence as far in advance as possible; when advance notification is not possible, students are responsible for notifying each instructor as soon after the absence as possible. Consistent with the [University Attendance Policy, students also are responsible for all material covered in class and must work with the instructor to complete any required work. In situations where students must be absent for an extended period of time due to COVID-19 isolation or quarantine, they also must work with the instructor to determine the best way to maintain progress in the course as they are able based on their health situation.](#)

Mandatory Statement on Face Masks (until further notice)

Throughout the COVID-19 pandemic, key safeguards like face masks have allowed SLU to safely maintain in-person learning. If public health conditions and local, state, and federal restrictions demand it, the University may require that all members of our campus community wear face masks indoors.

Therefore, any time a University-level face mask requirement is in effect, face masks will be required in this class. This expectation will apply to all students and instructors, unless a medical condition warrants an exemption from the face mask requirement (see [medical condition](#) for more information).

session will be asked by the instructor to resume wearing their masks.

Students and instructors may remove their masks briefly to take a sip of water but should replace masks immediately. The consumption of food will not be permitted.

Students who do not comply with the expectation that they wear a mask in accordance with the University-wide face mask requirement may be subject to disciplinary actions per the rules, regulations, and policies of Saint Louis University, including but not limited to those outlined in the . Non-compliance with this policy may result in disciplinary action, up to and including any of the following:

- dismissal from the course(s)
- removal from campus housing (if applicable)
-

OFFICE VISITS

Students are encouraged to visit the instructor during office hours in connection with their work in this class, or to discuss any career-related problems. If unable to visit during posted hours, an appointment will be made convenient to both the student and the instructor.

IT IS IMPORTANT THAT YOU GET TO KNOW YOUR TEACHERS AND TO MAKE YOURSELF KNOWN TO THEM. IT IS THE ONLY WAY TEACHERS CAN BE OF HELP TO YOU OUTSIDE THE CLASSROOM.

COURSE EVALUATION

As part of class participation, during the last week of the semester students will be reminded to complete an on-line course evaluation. Students will be notified when screens will be accessible for students to submit the evaluation.
