## NURS 6800: Theory paper rubric

---

<b>Thesis</b>	Easily identifiable, plausible, novel, sophisticated, insightful, crystal clear.	10
	Promising, but may be slightly unclear, or lacking in insight or originality.	7
	May be unclear (contain many vague terms), appear unoriginal, or offer relatively little that is new; provides little around which to structure the paper.	4
	Difficult to identify at all, may be bland restatement of obvious point.	0

Evident, understandable, appropriate for thesis. Excellent transitions from 10 point to point. Paragraphs support solid topic sentences.

## Qualitative Methods NURS 6810

### Mini Proposal- Scholarly Paper

This assignment gives you the opportunity to design your own study. Choose a topic of your choice (suggest that you consider your dissertation focus, as it stands right now). Conduct a brief literature review that identifies a gap in the science that your proposed study will fill. Choose a research design (tradition, approach), method and methodology that matches your study purpose.

### Grading Rubric

Based on your specific research topic focus, write a paper, 10 pages max, excluding references.
