TABLE OF CONTENTS

Student counts for 2007 were updated to reflect the move of the Department of Communication Sciences and Disorders from the College of Public Service to Arts and Sciences for consistency of comparisons across time. In addition, in previous years, some students were incorrectly identified as attending the Madrid Campus. School and College counts for 2007 were updated to reflect these changes.

MISSION OF SAINT LOUIS UNIVERSITY

The Mission of Saint Louis University is the pursuit of truth for the greater glory of God and for the service of humanity. The University seeks excellence in the fulfillment of its corporate purposes of teaching, research, health care and service to the community. It is dedicated to leadership in the continuing quest for understanding of God's creation and for the discovery, dissemination and integration of the values, knowledge and skills required to transform society in the spirit of the Gospels. As a Catholic, Jesuit university, this pursuit is motivated by the inspiration and values of the Judeo-Christian tradition and is guided by the spiritual and intellectual ideals of the Society of Jesus.

In support of this mission, the University:

Encourages and supports innovative scholarship and effective teaching in all fields of the arts; the humanities; the natural, health and medical sciences; the social sciences; the law; business; aviation; and technology.

Creates an academic environment that values and promotes free, active and original intellectual inquiry among its faculty and students.

Fosters programs that link University resources to local, national and international communities in collaboration efforts to alleviate ignorance, poverty, injustice and hunger; extend compassionate care to the ill and needy; and maintain and improve the quality of life for all persons.

Strives continuously to seek means to build upon its Catholic, Jesuit identity and to promote activities that apply its intellectual and ethical heritage to work for the good of society as a whole.

Welcomes students, faculty and staff from all racial, ethnic and religious backgrounds and beliefs and creates a sense of community that facilitates their development as men and women for others.

Nurtures within its community an understanding of and commitment to the promotion of faith and justice in the spirit of the Gospels.

Wisely allocates its resources to maintain efficiency and effectiveness in attaining its mission and goals.

THE PRESIDENT'S VISION

My vision is to establish and maintain Saint Louis University as the finest Catholic university in the United States, wherein the entire University community is actively engaged in student formation. Challenged by outstanding faculty and a modern, value-centered curriculum reflecting the Jesuit tradition, students are fully prepared to contribute to society and to be effective leaders of social change based on the ethical values and principles taught in the Saint Louis University tradition.

Rev. Lawrence Biondi, S.J.
University President
1987 to Present

SECTION I: GENERAL INFORMATION

SAINT LOUIS UNIVERSITY BOARD OF TRUSTEES

In 1967, Saint Louis University welcomed lay people to its Board of Trustees and became the first Catholic college or university to give the power of governance to a lay-dominated board. This pioneering action was soon emulated worldwide and is now the standard for most schools.

Board members may serve three consecutive four-year terms, and the Board may have up to 55 members. According to the University's Constitution and By-laws, the Chairman of the Board must be a lay person and the President can be either a lay person or a Jesuit.

Note: In Table 19.5, Full-time Equivalency (FTE) is computed using the Department of Education's IPEDS methodology (dividing the total number of part-time registrants by 3 and adding this to the full-time registrants to give the total FTE).

Graduate time status was calculated based on registered hours as well as student type and specific course registrations as determined by the Graduate School.

Inter-University Transfer includes students enrolled in U.S. and non-U.S. colleges and universities who are taking courses at the SLU main campus through a formal agreement between SLU and partnering institutions.
