

## SAINT LOUIS UNIVERSITY

UNIVERSITY

Saint Louis University (the University ) may make its research facilities available for a limited time temprivate scriptominely lingue University and filter dufo subtructions.

transier.

This policy, provides guidelines to help ensure that private use of University's tax-exempt status and eliminate or minimize potential conflicts of interest, misuse of University resources, and legal liability.

Poquests for private seasof University recently further will be evaluated on a case of

- Chairperson, division head, or director, and must have an approved conflictof- interest-management plan in place.
  - B. License Requirement: The commercial entity must have a license or license option to University-owned intellectual property that is either executed by or annoyed by the Saint Louis University Office of Innovation and Intellectual Property.
