Saint Louis University and YouGov surveyed 900 likely Missouri voters from July 27 to August 08 about current political issues, gun policy, and education policy in Missouri. The following pages present results for most survey questions. The margin of error for survey results for the full sample is 4.02%. Margins of error for questions asked to subsamples are listed below. Original data and analyses from the SLU Poll Directors are available at <http://www.slu.edu/poll>.

Funding and Support

The Saint Louis University PRiME Center provided the majority of funding for the SLU/YouGov Poll. The origins of the SLU/YouGov Poll lie in an internal Big Ideas competition to define university-wide strategic research priorities sponsored by the Saint Louis University Research Institute. The Big Ideas competition provides funding to research initiatives that demonstrate broad faculty engagement, strong leadership and compelling research plans.

About Saint Louis University
